Subject: Zone 1 (HNB Districts 6 / 7) – update

As announced by the Government of New Brunswick earlier today, Zone 1 has moved back to the [Orange Alert Phase](#) in the government Recovery Plan.

This announcement suspends all games in District 6 and 7 effective midnight on Thursday November 19th; however, practices are permitted. Team practices will be required to follow the Guidelines listed in Phase 1 of the [HNB Return to Hockey Guidelines](#), and have a maximum of one team on the ice.

A list of the Hockey New Brunswick districts, and which Minor Hockey Associations they encompass is posted on the HNB website – <https://hnb.ca/en/minor-hockey/hnb-minor-hockey-council>

Individuals who reside in Zone 1 cannot travel outside of the region to participate in HNB sanctioned activities.

Sanctioned on-ice activities in all other areas of New Brunswick are permitted to continue as scheduled.

We will provide further information once it becomes available from the Government of New Brunswick, and we thank everyone in advance for their cooperation as we move through this fluid and very difficult time.
